**31. BÉTTA** has been known for 25 years for its uniquely curved baby bottle – the angle allows you to feed your baby in a sitting position. Drinking milk while sitting reduces the risk of infant health issues like ear infections (otitis) or colic, thus it is recommended by many paediatricians. This made in Japan nursing brand offers a whole line-up of stylish baby products, available on [www.betta.co.jp](http://www.betta.co.jp)

**32. LUCKY GECKO** offers educational activity boxes, designed to help children aged 8-12 years join the dots between their classroom curriculum and the discoveries they make in the world around them. Packed with puzzles, games and challenges, the boxes aim to make learning exciting and fun for your child. Visit [www.luckygecko.com](http://www.luckygecko.com) to order.
